

ACTS COMMITTED TO MINISTERS

Amended date: 1 July 2011

INTRODUCTION

The Parliament Research Library produces and maintains a list of the *Acts Committed to Ministers*. The list is regularly updated to reflect the changes published in the *South Australian Government Gazette* and the *Index of South Australian Legislation*.

The list currently contains:

- which Minister the Act is committed to;
- any changes to Ministerial Titles;
- the Proclamation date and the Government Gazette reference; and
- ceased Acts and prior Ministerial commitments.

The list is alphabetical and fully searchable and is a useful research tool that not only assists in establishing Acts currently committed to Ministers, but also provides invaluable historical information about which Minister may have previously had responsibility for an Act. Additionally, the list also contains the current and historical dates of proclamation and Gazettal references.

The Ceased Acts section toward the end of the document provides information on the date of repeal or expiration, Government Gazette references and Ministers who previously had the ceased Act committed to them. This section is regularly cross referenced with the Index of South Australian Legislation.

The list is available from the Library's intranet page as an Adobe PDF file and can be searched by clicking on the Find  icon or by pressing Ctrl + F to display the Find dialog box, typing in your request and clicking the Find button.

If you require clarification or any additional information regarding this list, please contact Ms Eva Dimopoulos on 82379450 or via her email address at:
